

## Draft Environmental Strategic Plan

1. Does the draft Environmental Strategic Plan provide you with a clear understanding of CBT's environmental priorities over the next three years?

Yes  Somewhat  No

Comments:

2. Does the draft Environmental Strategic Plan address the important environmental needs in the Columbia Basin?

Yes  Somewhat  No

Comments:

3. Please rank the Environmental Strategic Plan goals in order of importance to the people of the Basin, where 1=most important and 4=less important.

- Strengthen Basin-wide ability to meet environmental challenges.
- Encourage education for all generations about Basin ecosystems and associated human interactions.
- Support positive environmental action within the Basin, leading where appropriate.
- Promote corporate functions (office and employee business activities) which reduce environmental impacts in the Basin.

4. Do you think that the environmental objectives and planned activities outlined in the draft are the most appropriate way for CBT to achieve the outlined goals?

Yes  Somewhat  No

Comments:

5. Does the draft Environmental Strategic Plan present any opportunities for your involvement individually, organizationally, as a member of a community group, etc.?

Yes  Somewhat  No

Comments:

6. Do you have any other comments on the draft Environmental Strategic Plan?

Comments:
